۱۴	<p>متن زیر را بخوانید و به سوالات داده شده در هر قسمت پاسخ دهید.</p> <p>Note-taking is a necessary part of the language learning. It helps students learn, keep, and remember information. Taking notes make them think differently about the subject; it requires the learners to look at things differently. It also helps them pay attention during the class because they are actively listening and experiencing in the classroom. Not only do the students meet their needs by taking good notes in English classes, but everyone should find note-taking as the best way to work with written and spoken texts. Taking notes let learners check interesting points from what they are researching, reading or listening to. Writing some parts in their own words, also called note-making, makes everything clear for the notetakers when looking back at the text. It is a much better learning technique than just depending on your own memory. Remember that word-for-word note-taking can hurt systematic thinking as it takes away the time of explaining ideas through examples and pictures by just writing down facts without context. It is why Isaac Newton said that he did great things just because he was sitting in the great men's classes and taking notes.</p>						۴
۱۵	<p>متن زیر را بخوانید و به سوالات داده شده در هر قسمت پاسخ دهید.</p> <p>Being helpful is what we know as kindness. Kind people improve the lives of those around them and generally enjoy better health. Studies show that acts of kindness can have positive side effects. It can increase good senses, improve health conditions and feelings. It increases relationships with others. Acts of kindness can make the world a happier place for everyone. Kind people can boost their feelings of control, happiness and responsibility. <b>They</b> may also inspire others to repeat the good acts they have experienced in a more positive society. Most of us think of charities as trying to help others, but how do we live without helping others? How do we become donating members of society? Donating food is the best way to help others because it is essential for human beings. Not only do charities benefit from the donations, but you also gain a lot from them. Thousands of people donate to charity to support the people in need and meet their moral needs.</p>						۴
